

WATER DISTRIBUTION OPERATOR

Gilbert, SC

Gilbert-Summit Rural Water District is seeking a motivated full-time Water Distribution Operator. This position involves the operation and maintenance of the water distribution system with limited water treatment operations.

Minimum Qualifications: HS diploma or GED, ability to obtain SCDES Class C distribution license and SCDES Class C water treatment license, valid SC driver's license, mechanical ability, ability to lift 50 lbs., extended walking or standing, and availability for after-hours call-out on a rotational basis. Preference may be given to applicants already holding an SCDES Class C Water Distribution/Water Treatment Operators License with years of experience in the field.

Excellent benefits package including SC state retirement and health insurance, as well as paid vacation time and 13 holidays.

Salary range: \$39,520 - \$65,000 depending on years of experience and level of licensing.

Applications for employment can be found on our website at www.gsrwater.com. Interested parties may e-mail their application/resumé to mjgassaro@gsrwater.com; mail to Gilbert-Summit Rural Water District, P.O. Box 172, Gilbert, SC 29054; or hand deliver to 136 Hampton St., Gilbert, SC.
